MEMORANDUM FOR: Assistant Director for Personnel

25X1A2g

SUBJECT : Tuition Costs for [REDACTED] Personnel

25X1A

1. [REDACTED] directed his memorandum of December 14, 1954, to you through the Deputy Director (Administration), who asked me for my comments on this matter. Notice No. [REDACTED] was considered at great length by this Office during its promulgation in view of the legal restrictions surrounding payment of tuition costs. We, therefore, feel familiar with the intent as well as the content of the notice.

25X1A

2. It appears to us that [REDACTED] December 14 memorandum sets forth facts which meet fully the criteria of the notice and would, therefore, permit payment of appropriate reimbursement for tuition under the standards set forth in the notice.
